Brief description of filing. (If filing follows rates of an advisory organization, specify organization):

We are making some revisions to our Independent Homeowners Program that include modifications to the base unity, package policy unities, and Liberty Mutual Agency Markets earthquake renewal rate stabilization factors. This revision impacts new business effective on or after August 11, 2012 and renewal business on or after November 3, 2012. The average impact for policies at their next renewal will be 0.3%. The evaluation of overall change, Exhibit 1, summarizes the impact of this revision. In order to mitigate the dislocation for some of our existing customers with this change, we will continue to include rate stabilization on our current policies in force. The minimum premium rate change is -10% and the maximum rate change is 40%.

Adjusted to reflect all prior rate changes.

Change in Company's premium level which will result from application of new rates.
